Dear Supporter,

We are reaching out to you regarding a special opportunity to support youth singers in our community! This campaign is called the 30 for 30 Dynamic Fundraiser and it marks the 30th Anniversary of The Lakeshore Youth Chorale.

For the past thirty years, Lakeshore Chorale, Inc. has been presenting quality performances by Sheboygan area youth! Each season, the students are introduced to significant choral literature and with each concert the singers get to show their growth as artists.

The sense of community that is found in music-making is not one that is easily matched. Please consider donating today to keep this choral tradition alive for youth in Sheboygan.

In celebration of Lakeshore Youth Chorale's 30th year, you can show your support for our young singers by donating in \$30 increments. The amount donated correlates with a musical dynamic (volume of music). The more you donate, the louder it gets!

- \$30 ***Pianissimo*** (*very quiet*)
- \$60 ***Piano*** (*quiet*)
- \$90 ***Forte*** (*loud*)
- \$120 ***Fortissimo*** (*very loud*)

*Which level of sound will YOU be for our 30th season?*
